Connecting Talent with Opportunity  
A proud partner of the AmericanJobCenter network

One Stop Career Centers (see listing below for telephone number) have staff who work with individuals and businesses to develop On-the-Job (**OJT**) training programs in which individuals can receive occupational training by area businesses and earn a pay check while training.

## What is WIOA?

WIOA is a federally funded program that prepares eligible adults and dislocated workers for entry or re-entry into the workforce through retraining and education. The program seeks to increase the employment and retention earnings of participants and as a result increase the quality of the workforce, reduce unemployment and enhance the productivity and competitiveness of the customer.

*(All services and programs are subject to availability of WIOA funds and eligibility of applicant.)*
